Pescarul Amin / The Fisher Amin

Si alaiul fabulos al pestilor se desfasura triumfal, la mijloc cu
morunul fantastic inconjurat de cetele genunilor, ducând la piept
pe stranepotul sau, pescarul Amin, într-o uriasa apoteoza catre
nepieritoarea legenda cosmica de unde a purces dintotdeauna, omul.

And the fabulous fish cortege unfolded in triumph, with the fantastic
sturgeon in the middle surrounded by the abyssal cohorts, carrying
his great-grandson, the fisher Amin, in a vast apotheosis towards
the unfading cosmic legend wherefrom man ever emerged.
